## STATE TITLES ON THE LINE

The Western Australian Under 16 (125cc) Championship has been run for well over 30 years. Tonight will actually see the 38<sup>th</sup> state title go into the record books. It all started back in the early 1980's at the Bibra Lake Speedway, which was the home of junior Speedway here in the west until it was sadly forced to close in 2004. The 2004-05 title could not be held but a hard working group of volunteers managed to get the 142 metre Pinjar Park Speedway up and running a year later. Significantly the first winner at the Pinjar Park circuit was Tai Woffinden, the son of the late Rob Woffinden whose hard work here is honored by the naming of the Pits after him. And Tai has gone on to become a triple World Speedway Champion. Some of the finest riders produced here in the west have taken out the 125cc Championship. Considering that you have to be "Under 16" to contest the title means that the multiple victors were pretty young when they started their winning run. The best performance in the event is the five straight victories achieved by Matthew Hartnett and Cameron Heeps. Trevor Harding scored four success in a row, while Matt Marson had a hat trick. In recent years we have had some interstate riders journey across to contest the title with Keynan Rew (Qld) and Fraser Bowes (SA) taking the honours. The 2019-20 Western Australian Under 16 (125cc) Championship was a ripper event. We expect this years titles to be a great one with the great Luke Killeen fighting to hold his title as wa champion. New comers Dom Colemore, Pheonix Elliott and Noah Sandilands are excited to show the world what they are made of.
